1.1. Following election or co-option to the Council, each Councillor will be issued with a copy of the Code of Conduct and Standing Orders of the Council. Birstwith Parish Council is committed to being open and transparent in the way it conducts its decision making. For the purpose of this policy the term “record” means any form of audio, visual or electronic recording. Such recording is permitted under the lawful direction of the parish council.

The parish council understands that some members of the public attending its meetings may not wish to be recorded and the Chairman of the meeting will facilitate this by ensuring that any such request will be respected by those making a recording. These Standing Orders were adopted by:

Birstwith Parish Council at a meeting of the
Council held on 28th September 2017

Updated January 2023

Signed: E March .(Chair)

(This Annex forms part of the Standing Orders of the Parish Council)

The right to record, film and to broadcast meetings of the parish council is established under the Openness of Local Government Regulations 2014. This is in addition to the rights of the press and public to attend such meetings.

Birstwith Parish Council is committed to being open and transparent in the way it conducts its decision making. For the purpose of this policy the term “record” means any form of audio, visual or electronic recording.

Those who attend a public meeting should expect to be filmed. This includes councillors, council officers and members of the public.

The rules that Birstwith Parish Council will apply are:

1. The Parish Council will display requirements as to filming, recording and broadcasting at its meeting venues and on its website (if it has one) or on notice boards in the parish and those undertaking these activities will be deemed to have accepted them whether they have read them or not.
2. A copy of these rules/guidance will be provided to members of the public in attendance at a meeting of the parish council. The Chairman may also verbally remind the meeting and all present of the freedom to record but that these rules/guidance are in place to enable any type of recording to take place with minimal disruption to the council meeting.
3. Any person wishing to record a meeting in any format whatsoever is encouraged to contact the Clerk prior to the start of the meeting. The Clerk's details are set out in the public notice and/or agenda of the meeting; (or in his/her absence, the contact will be the Chairman of the parish council). Discussing requirements with the clerk beforehand will help to ensure that the council provides reasonable facilities to meet the needs of the person who is recording.
4. In order not to disrupt the proceedings of the parish council meeting, the person making the recording shall not move around.
5. A person or persons recording the parish council meeting are reminded that the “Public Participation” period is part of the formal meeting and that they should take legal advice for themselves as to their rights to make any recording during that period.

6. Where the press and public are excluded from a meeting or part of a meeting owing to the confidential nature of the business to be transacted, recording of that meeting or that part of the meeting will not be permitted.
7. The specific filming of children or young people under the age of 18 who are present cannot take place unless their parents/guardians have given their written consent. This provision also applies to vulnerable adults whereby the consent of a responsible adult is required, i.e. a medical professional, carer or legal guardian. Where the permission is given, filming of these people can take place.
8. The council requests that all recording is overt (i.e. clearly visible to anyone at the meeting).
9. The use of digital and social media recording tools, for example Twitter, blogging or audio recording are allowed as long as this type of recording is carried out in a nondisruptive way and only to the extent that it does not interfere with the ability of any person present to follow the debate.
10. A person or persons making a recording has no right to interrupt a parish council meeting by asking questions or making comments for the purpose of the recording. The person recording has no right to ask councillors, officers or any members of the public who have been given permission to contribute orally to the meeting to repeat a statement for the purposes of the recording.
11. The Chairman of the meeting has absolute discretion to stop or suspend recording if, in his/her reasonable opinion, continuing to do so would prejudice proceedings at the meeting or if the person recording is in breach of these rules/guidance.
12. Persons who are recording shall not leave their equipment unattended, and are responsible for their equipment at all times
13. The recording and reporting on meetings of the parish council is subject to the law and it is the responsibility of those doing the recording and reporting to ensure compliance. This will include the Human Rights Act, the Data Protection Act and the laws of libel and defamation. The council expects that the recording will not be edited in a way that could lead to misinterpretation or misrepresentation of the proceedings or infringement of the parish council's values or in a way that ridicules or shows a lack of respect for those in the recording. The parish council would expect any recording in breach of these rules to be removed from public view. The parish council will have no liability for material published by any other person unless it is itself undertaking the publication through its offices.
14. For the benefit for those who wish to record - he/she is requested to please contact the clerk prior to the meeting so that reasonable arrangements can be made. The use of lighting for filming/flash photography may be allowed if it is arranged via the Clerk prior

to the meeting and the owner of the premises has also confirmed their permission but the parish council will have regard to the impact of such lighting on the ability of others present to view the meeting, or for reasons of health, and may require that such lighting is not used or is reduced to a level which does not adversely affect other people. The lighting must not cause any other form of disruption.

15. The parish council may itself photograph, film, record or broadcast meetings and can retain, use or dispose of such material in accordance with its retention and disposal policies. Where a council proposes to record all of its own meetings it will be bound by this policy.

16. Where a parish council proposes to record all of its own meetings, it will resolve how long such recordings will be kept and how members of the public may obtain copies. The parish council will include the availability of such recordings within its Publication Scheme.

17. The parish council is not liable for the actions of any person making a recording at a council meeting which identifies a member of the public or for any publication of that recording.

18. The minutes of a council meeting remain the statutory and legally binding formal record of council decisions.
